SPRING IT ON

Last term, with your help, we managed to raise over £8,000! We have news on how the schools plan on spending some of the funds raised; they have been saving up for some BIG projects.

We have a fantastic calendar of events planned again for this term, so read on to find out more!

CLASS REPS

To aid with communication of messages and the raising of hands to help us run events we are looking for a class representative from each class. This doesn't mean you will be signing up to the PTA (unless you want to) but is a role to help the PTA on the front line.

If you'd like to put your name in the hat please sign up here:

PTA FUNDS BEING SPENT

Courthouse The school field is due for a full overhaul. As you may have experienced the school field is a bit beaten up and needs a lot of TLC. The PTA are funding the resurfacing of the field which will take place over the Easter break. Once given time to bed in the children will have a fantastic new field ready for sports day.

Alwyn A new library is being built in Alwyn, creating a purpose designed and curated environment within the school for reading. This is a big project that will be completed by the start of the new school year in September.

Courthouse Plans are also being looked at for the swimming pool with a new roof to be installed along with some other maintenance needs.

GARDEN PROJECT

Thanks to the parents who came to help with the first clearance! We are continuing to work with the school on the reimagination of the garden space. Another date will be put in the diary after Easter for clearance; please let us know via [email](#) if you can get involved. It's hard work and more hands would be appreciated!
